CASE

(A) Case [REDACTED] - Hungarian Considered for [REDACTED] Behavioral Project

D/I 1. A scientist from Hungary, [REDACTED], is currently the strongest candidate for employment by the behavioral project group under [REDACTED] at [REDACTED]

D/I [REDACTED] said [REDACTED] field of investigation and his published works make him the best prospect to date, although he is careful to point out that questions about his background must be resolved.

D/I 2. [REDACTED]

I [REDACTED] staff is impressed by his experience and achievements, outlined in attachment. He will visit the [REDACTED] sometime next month to meet the staff and conduct a seminar on the neuro-physiological learning model he has developed, the [REDACTED] described in the attachment under "Research Projects."

D/I 3. We are attaching data on [REDACTED] and will inform you of any further action taken by [REDACTED] and his group. Also

D/I attached is a letter from Dr. [REDACTED] a former candidate for employment, to [REDACTED]
